firefly Installation Guide

SnapStream M·E·D·I·A

Do Not plug in USB Receiver!

Follow the directions below.

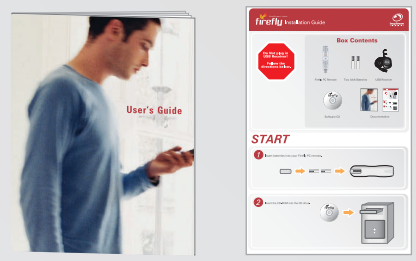
Box Contents

Firefly PC Remote

Two AAA Batteries

USB Receiver

Software CD

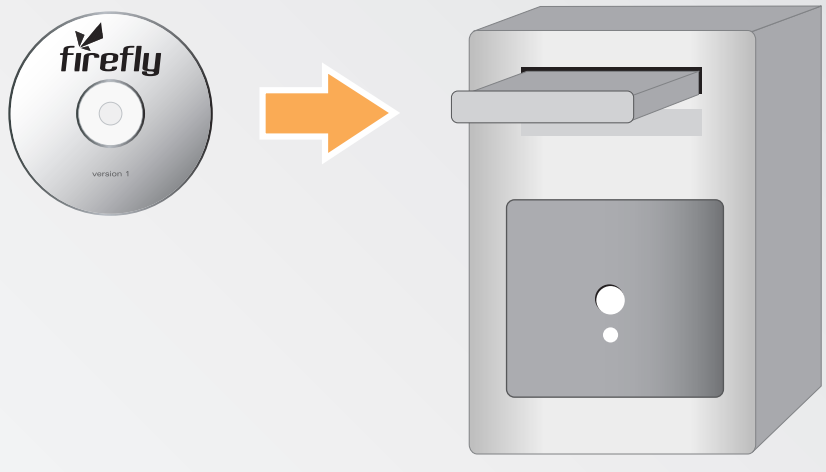


Documentation

START

1 Insert batteries into your Firefly PC remote.

2 Insert the CD-ROM into the CD drive.

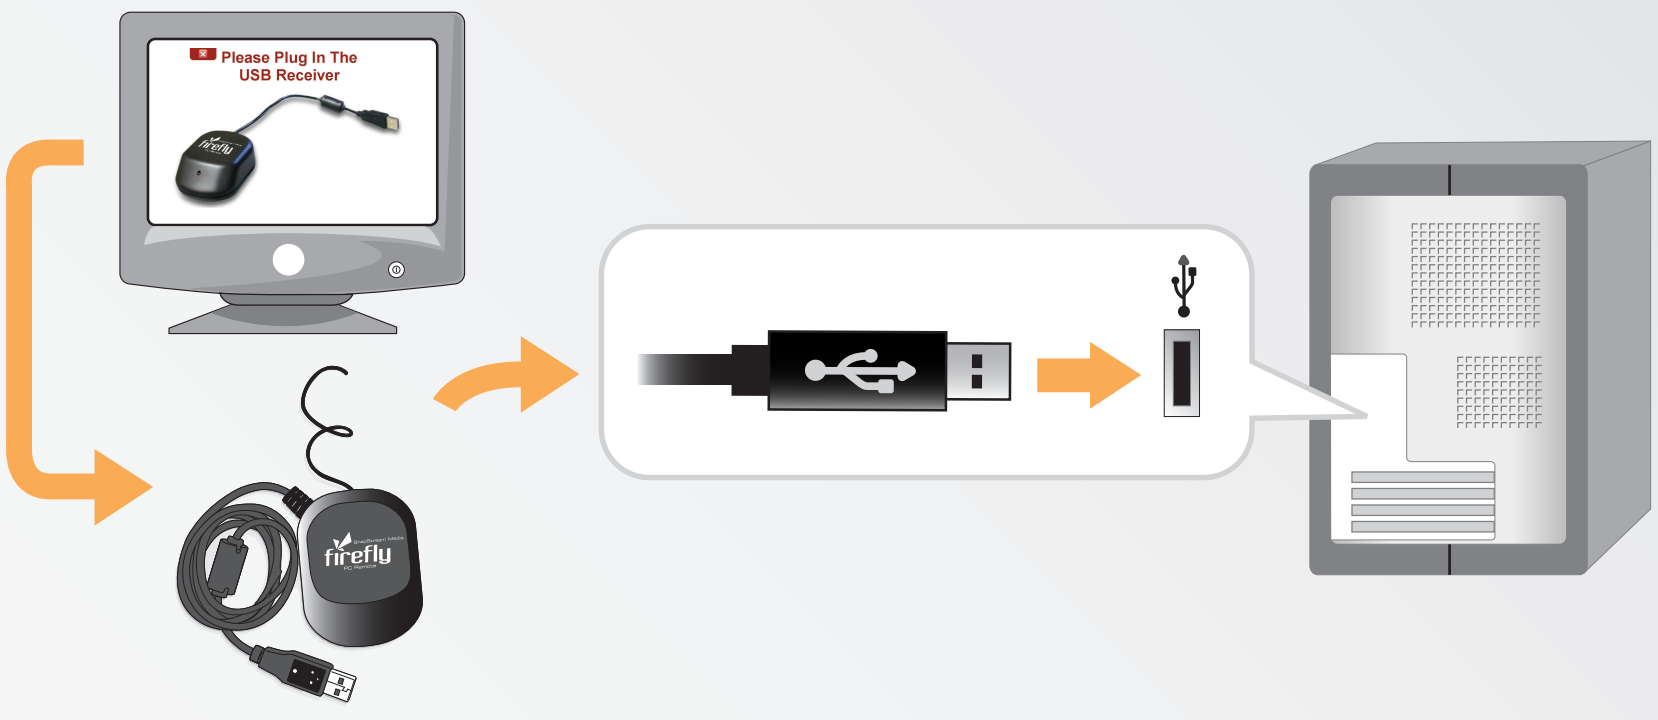


3

Choose the option to “**Install Now**” from the menu. If the menu doesn’t appear automatically, browse your CD drive and double-click the Firefly.exe file.

4

When prompted plug the USB receiver into the USB port.



5 Finished!

Receiver Tips

- Place it in clear view
- Don’t cover it with anything
- Avoid placing it close to your PC, electronic devices, and other receivers
